Potential Within*

## ***Outstanding OP Results for Rivermount's Class of 2011***

Students and staff at Rivermount College are celebrating the recent release of the Queensland OP results with the Class of 2011 achieving an impressive 50% of students in the 1-10 range. Graduating twins, Matthew and Benjamin Seery were awarded an OP 1 along with fellow classmate Corey Stevens. The three students have all attended the College since Year 1 and each has an outstanding record of academic, sporting and co-curricular achievement. Matthew Seery held the position of College Captain in 2011 whilst both Benjamin and Corey were College Prefects. Corey Stevens was awarded Dux of the College for 2011.

In what has been a very successful year for the College a total of nine Rivermount Year 12 students have graduated in the top band of 1 to 5. College Principal, Mr Richard Young, said the results were indicative of this year's senior cohort who consistently demonstrated a mature approach to their academic studies and displayed a commitment to the schools motto of Perseverance, Integrity and Excellence. "This year, we celebrated the school's 20 year anniversary and the recent release of OP results has been a wonderful finale. We are immensely proud of our graduating students and wish them every success in their future", said Mr Young.
